

METAL DETECTOR PERMIT APPLICATION

In accordance with Section 3.7 of Ordinance No.10-084, use of metal detectors in Polk County parks is prohibited unless authorized by permit.

POLK COUNTY ORDINANCE NO. 10-084

SECTION 3.7: Preservation of Property

- A. No person shall vandalize, deface or destroy any park property or equipment within a park site.
- B. No person shall damage or remove plants or plant materials, trees or parts thereof of any flowers, nuts, seeds or fruit whatsoever, except when authorized by the Division.
- C. No person shall excavate or remove any artifact from any archeologically sensitive areas or park property.
- D. No person shall make an excavation by tool, equipment, blasting or other means or utilize metal detectors or shall construct or erect any building or structure of whatever kind, whether permanent or temporary, or run or string any public utility into, upon, across or over any Park lands unless authorized by permit or written easement.

PERMIT APPLICATION PROCEDURES

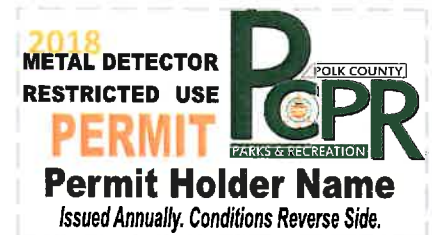

Application requests must be completed annually. Permits are effective January through December of each year and may be issued throughout the year.

Applicants must comply with above Section 3.7: Preservation of Property, as well as *Conditions of Use*, on reverse side of each issued Permit card.

Permits are non-transferable. Permit Holders are required to keep Polk County Parks and recreation advised of any changes in address or Driver License status.

Currently no fee is applicable for issuance of permit. Administrative costs may warrant a fee in the future.

Permit should be available for inspection upon request when using metal detectors in Polk County Parks.

CONDITIONS OF USE

- Athletic fields and protected habitats strictly off-limits.
- Digging restricted to small implement; no shovels of any size.
- Disturbed soils must be replaced.
